

Create a wiki space

1. On the front page of Wiki.nus, click **Create Space** or **Create a wiki**.

2. Give your space a **Space Name**. This is the wiki space's title. It can be changed later.

3. Give your space a **Space Key**. This forms part of the URL (web address) of your wiki space.

 **Space Key**

1. The Space Key cannot be changed after it has been created.
2. Alphanumeric (a-z, A-Z, 0-9) characters only. No spaces.
3. It must be unique within Wiki.nus. You will be prompted if it is not unique.

4. Choose whether to make the wiki space private or public. This can be modified later.

5. Click **Create**.

Create Space Help

Create a space for your team or project:

Space name

Space key

Used in the space's URL:
`http://wiki.nus.edu.sg/display/TIAWS`

 Make this space private
